The Consummated Spirit

Before the Consummation of the Spirit

- **Before** the consummation of the Spirit, He was the **Spirit of God** in God's **creation**.
- He was the **Spirit of Jehovah** in God's **contact** with man.
- He was the **Spirit of holiness** in God's **dealing** with man.
 - In the Old Testament the title *the Holy Spirit* was not used.
 - *The Holy Spirit* was first used in the New Testament in relation to the **incarnation** to make man holy.

The All-Inclusive Life-Giving Spirit

- Through the processes that the Triune God has completed, the Spirit of God as the **processed** Triune God has been **consummated** into the **all-inclusive life-giving Spirit**.
- He was consummated to be “the Spirit,” who was **not yet** before the resurrection of Christ, compounded with Christ's divinity, humanity, death, and resurrection to be the compound anointing ointment.
 - **Before** the resurrection of Christ (when Christ was glorified), the Spirit was not yet.
- He is the **consummated Spirit** of the Triune God as the consummation of the Triune God.
- The Spirit who has been consummated to be the consummation of the Triune God is the **eternal Husband** speaking with His bride, the Body of Christ, to be the eternal and universal couple.
- The compounded Spirit is the **Spirit of life**.
- He is also the **Spirit of Christ**, who is the Spirit of the Christ in **resurrection**—the **pneumatic** Christ.
 - Spirit of Christ, Spirit of life, and the spirit of God are interchangeably used—they are three aspects referring to the pneumatic Christ.
- The consummated Spirit is the **indwelling Spirit**.
 - Dispenses the resurrection life to the believers' mortal body.
- The Spirit of Jesus is the **Spirit of the incarnated Savior** who, as Jesus in humanity, passed through human living and death on the cross.
- He is the **Spirit of Jesus Christ**.

- Ministers the bountiful supply to the believers.
- The consummated Spirit is the **seven Spirits** before the throne of God. He is the **sevenfold intensified Spirit** to meet the need of the believers in the degradation of the churches.

Breathed into the Believers

- He was **breathed** into the believers as the **Spirit of life**, not the **Spirit of power** who was poured out in Acts 2 on the day of Pentecost.
- The resurrected Christ, the **pneumatic** Christ, was the Breather.
- The **consummated Spirit** is the **divine breath**, breathed by the pneumatic Christ into the believers on the day of His resurrection.
- His breathing the consummated Spirit into us is a **sign** that He is going to send us.
- This is a **conclusion** concerning God. At the **beginning** He was **God**. At the **conclusion** He is the **Spirit** as the breath, breathed into all of us. Now He is the indwelling Spirit.
