

Crystallization-Study – Complete Salvation of God in Romans

Two Divine Transfers

- To carry out God's organic salvation there is the need of two divine transfers and one spiritual union.
 - Rom. 6:6 – Knowing this, that our old man has been crucified with [Him] in order that the body of sin might be annulled, that we should no longer serve sin as slaves;
 - The first transfer is out of Adam into Christ and is factual and positional.
 - Rom. 8:16 – The Spirit Himself witnesses with our spirit that we are children of God.
 - The second transfer is out of the flesh into the Spirit of life and is practical and experiential.
 - Rom 8:6 – For the mind set on the flesh is death, but the mind set on the spirit is life and peace.
 - Rom 8:4 – That the righteous requirement of the law might be fulfilled in us, who do not walk according to the flesh but according to the spirit.
 - The way to carry out our union with the Spirit is to set our mind not on the flesh but on the mingled spirit unto life and peace and to learn to walk and to have our being not according to the flesh but according to the mingled spirit.
- In Adam:
 - We inherited the nature of Satan as sin, constituting us sinners in essence and element.
 - We inherited death, which on one hand makes us passive, weak, and impotent with respect to the things of God, and on the other hand, reigned first in our spirit, then our soul, and eventually our body.
 - In sin and death we became subject to the condemnation of the righteous law of God.
- As believers, we have been baptized into Christ and also into His death, a death that took us out of Adam.
 - Rom 5:18 – So then as [it was] through one offense unto condemnation to all men, so also [it was] through one righteous act unto justification of life to all men.

- By being in Christ, we are justified unto life so that under grace and through righteousness we can be kings.
- The Spirit today is Christ in application, Christ coming to us for our experience.
 - Only when we are in the Spirit are we in the **reality** of the divine transfer.
 - Our need is not to behave in a certain way but to be found in Christ by being found in the Spirit through our union with the Spirit.
- **Our spirit** deep within is **one with** the **consummated Spirit** of the **processed** and **consummated Triune God**.
 - To be one spirit with the Lord is to be in the reality of the divine transfer.
- **What realm we are in depends on where we set our mind**. When our mind is set on the **spirit**, our mind is full of **life and peace**.
- Being a Christian is a **living out** of the **life of God** by walking according to the mingled spirit within.
- **Rom 5:21** – In order that just as sin reigned in death, so also grace might reign through righteousness unto eternal life through Jesus Christ our Lord.
 - For grace to reign **unto eternal life** means that we are **now** enthroned as kings and we are **reigning in life over all things** unto an issue, a consummation.
 - The issue of our present reigning in life will be the **New Jerusalem** as the **universal incorporation of God and man**.
