HWMR—A Timely Word concerning the World Situation and the Lord's Recovery Seeing a Vision of the Throne of God, the Spiritual Scene behind the World Situation, and Christ as the Center of God's Administration, Week 2

Scripture Reading: Dan. 4:17, 26, 34-37; 7:9-10; 10:4-21; Rev. 1:4-5; 4:5; 5:6

When we touch **the throne of God** and when we realize that God is **on the throne** ruling and reigning to accomplish His purpose on earth, we will acknowledge and appreciate His **sovereignty**, realizing that **He is in control and His plan will be carried out**. Do we see the vision of the throne of **God behind the scene**? Or do we just see the things **visible** before us, the rebellion of man, the immorality, the corruption, the COVID-19 pandemic, and others?

Outwardly there are these presidents, kings, queens, prime-ministers or CEOs who seem to be in control, thinking they know what they are doing. But **God is on the throne**, and when He allows this coronavirus to sweep across the earth, everyone is humbled, and we all realize that there is Someone higher than us, more powerful than us, who behind the scenes rules over everyone and everything. We don't know why did the coronavirus pandemic happened and how long it will go on, and we don't have the answers to questions like these, **but God knows**, and **only He can do something** as drastic, extensive, and severe as this pandemic.

With one word God can stop the virus immediately, **but He allows it to continue because He knows**, according to His will, there is something He still needs to be carried out for the punishment and judgement of the rebellious nations. Everything concerning the world situation is decided on the throne, and nothing can happen outside the rule of God's throne (Job 1:6-12; 2:1-6). **We need to be comforted by this word**, realizing that **no one should be blamed for this or that, for all things are under the throne of God**, and He is the One who allows things to happen and He makes the decision.

The Ascended Christ

As we live the last days toward the end of this age, we need to see a vision of **Christ in His ascension** and enthronement; Christ as the worthy Lion-Lamb is the center of God's administration according to God's eternal economy, and He is saving us to the uttermost to bring us with Him on the throne! We need to know Him in His ascension as **the victorious One** who has been given God's authority to be **the ruler over the kings of the earth** and **execute God's divine administration**.

Christ is now on the throne not only as God but also as **a man**; He is the God-man, the man-God, the mingling of God and man; Stephen saw Him as the Son of Man at the right hand of God (Acts 7:56). After He was crucified and buried, God resurrected Him and set Him at His right hand, **making Him the Lord of all** the universe (Acts 2:34-36; Phil. 2:5-11).

We no longer are in the days of the Gospels (which are long gone) or even in the days of the Epistles – we are now in the days of the book of Revelation! So on one hand we need to see Christ and know Him as revealed in the Gospels and in the Epistles, **but even all the more** we need to see Him and know Him as **revealed in the book of Revelation**. May the Lord **uplift our vision of Christ** and may we realize we don't merely live in the days of the Epistles but in the days of the book of Revelation, and now our Christ has a different status and function.

So this enthroned One, Christ as the God-man and man-God, is the worthy Lion-Lamb who can open the scroll of God's economy! As the Lion, Christ is the One who fights against the enemy, Satan, and He defeats him; as the Lamb, He is our Redeemer. Christ is both a lion to defeat and crush Satan and a lamb to us for the accomplishing of God's redemption.

Because Christ has solved the problems of **the rebellion of Satan** and the **fall of man**,... So Christ came as the worthy **Lion-Lamb** to defeat Satan and destroy him on the cross and to redeem man back to God... As the Lamb of God, He shed His blood for our sins on the cross; as the Lion, He defeats Satan and destroys him. The Lamb, the Redeemer, the One slain on the cross for our sins, is now on the throne to carry out God's administration over the universe.

This has very much to do with us, for this One is not just God but also man; He is not only saving us from sins or supplying us with nourishment, growing in us, and transforming us, but He is also **bringing us all the way to the throne** together with Him! (*Excerpt Ministry of the Word, "A Timely Word concerning the World Situation and the Lord's Recovery", spoken message, Message two*)

Prayer Burden

1) Lord, give us a spiritual **vision of Your throne** as the center of God's administration. We praise You for ruling both heaven and earth. Exercise Your dominion over the whole earth.

2) Continue to rule in us, especially in our personal universe. Cause us to see that we are all under Your administration. **Make Christ pre-eminent in all things.** We give You our best coordination and cooperation for the accomplishment of Your intention.

3) We praise You Lord as the centrality and the universality of God's economy. You are precious, valuable, complete, and perfect. Thank You for **caring for us as our Priest** and for **ruling over us as our King.**

4) Lord, cause us to **see beyond the physical realm.** We want to perceive the struggles not seen with the physical eyes. Open our eyes to see what You are carrying out today.

5) We praise You **Lion-Lamb.** You defeated the enemy and accomplished redemption for us. As the Godman, man-God on the throne, You are worthy to open the scroll of God's economy.

6) Lord, You are the **King of kings** and the Lord of lords. The whole universe is under **Your throne.** Cause us to realize that today the seven **Spirits of God are burning** before the throne and looking over the churches and the whole world situation.

The Man-Savior's Ascension (1 & 2) (Message 76 & 77)

Our Lord Jesus did not stay in resurrection; He ascended as inauguration to His heavenly office. Praise the Lord for the **objective** aspect of our Lord's ascension! The Man-Savior was **crowned with glory and honour and enthroned** in His ascension. He is enthroned with God for God's administration, making Him the Lord to possess all the universe and all of God's chosen people. He has been made Lord of all to carry out God's commission. Now, everything that God does, He does it through Christ!

Brothers and Sisters, **our ascended Lord is not far away from us.** We praise the Lord that we can **experience His ascension** today! Our Christ resurrected with power in life, but also ascended to have authority. This resurrected and ascended Christ now **lives in us** as life, and **dwells upon us** as authority. This very Christ **lives, operates,** and **works in** us today. When we realize Him in this way, **our contact** with Him will be **changed.** We must contact Him with such a high realization as He is the one who has gone through the **creation, incarnation, human living,** went to the **cross, entered, defeated, and nullified death, resurrected,** and finally **ascended.** Hallelujah (Life-Study of Luke, chapters 76 and 77)

The Man-Savior's Ascension (3 & 4) (Message 78 & 79)

The Lord Jesus' ascension is not only related to us in an objective way, it is also subjective to us. This **subjective** relation to us is a transmission. Praise the Lord for the transmission of the divine electricity from the heavenly power plant to us, the church! The giving mentioned in **Ephesians 1:22** is not to the church, but rather is a giving to Christ. The **headship of the universe was given to the ascended Christ!** The phrase "**to the church**" shows us that all what Christ's ascension means is **transmitted to the church.** Today, **we are still receiving this transmission of the ascended Christ** all the time. To enjoy this transmission, we simply need to pray "Lord, I am here. I love You, and I give myself to You. Lord, I empty my whole being for You." Brothers and sisters, may we pray in such a way that this transmission may be a reality and enjoyment to us!

He is also the **High Priest** in the heavens to **care for us, bear and hold us, caring for God's desire,** and is the **surety, mediator, and executor of the better covenant.** This High Priest takes **good care** of us, and for **God's desire to have lampstands.** Brothers and sisters, praise the Lord for the subjective aspect of the ascension of Christ, and the Life-Study of Luke. (Life-Study of Luke, chapter 78 and 79)
