THE RESURRECTED CHRIST IS THE HOLY AND SURE THINGS OF DAVID,
THINGS THAT ARE MERCIES OR BLESSING TO US (ISA 55:3; ACTS 13:34).

The Divine Dispensing of the Divine Trinity for the Divine Economy—Week 1

How can we be the children of light walking in love? This is possible only by the Father dispensing Himself into us in the Son through the Spirit. **When the Triune God is dispensed into us, we become in a practical way the children of God**, who is light. Then as children of light, not only do we live by grace, but we live directly in God, who is light and love. Therefore, the dispensing of the Divine Trinity constitutes us children of light walking in love, or we may say children of God walking in God.

Through the divine dispensing of the Divine Trinity **we all need to be filled in our spirit** with the Spirit as the divine wine (v. 18). If we are filled in our spirit in this way, then we will speak to one another in psalms, hymns, and spiritual songs (v. 19a); we will be singing and psalming with our heart to the Lord (v. 19b); and we will be giving thanks at all times for all things in the name of our Lord Jesus Christ to our God and Father (v. 20). When we have the Triune God dispensed into us thoroughly to make us children of light walking in love, we will be able to declare, "This is my story, this is my song, praising my Savior all the day long." We will praise Him with psalms, hymns, and spiritual songs. Psalms are long poems, hymns are of medium length, and spiritual songs are short verses.

According to verse 18, we should not be drunk with wine, but we should be filled in spirit. We should be filled with God, even "drunk" with Him, not drunk with wine. God's love is better than wine. Song of Songs 1:2 says, "Your love is better than wine." We do not care to drink wine, but we desire to drink God's love, which is better than wine. We want to soak in His love, to bathe in it. We want to be those who are permeated and saturated with God's love and even drunk with His love.

One who is a child of light, walking in love, will be beside himself with God. This means that a child of light should be drunk with God. **A proper Christian is one who is beside himself with the enjoyment of the Lord. If we are always silent, we are not typical Christians.** Typical Christians should be drunk with the love of the Lord. We all need to be drunk with God as our love and light. Then we will truly be children of light walking in love.

If we are drunk with God and walk in Him as love and light, we will have genuine holiness. Real holiness is not a matter of following certain regulations. True holiness is the very God whose children we are and in whom we walk. Hallelujah, we have been born of God, and we are children of light walking in love! We should **go on to be filled** with God, **saturated** and **permeated** with Him, and **soaked** in Him. **This is the dispensing of the Triune God into our being.**

A real Christian is one who experiences such a dispensing, and the aggregate of all such Christians is the church. The church should be composed of those who are drunk with God, composed of those who are children of light walking daily, hourly, and even moment by moment in love. This is the proper church life. The proper church life is not composed of people who are sober in a natural way. On the contrary, the church is a group of people who are drunk with God. However, although these believers are drunk with the Lord, they are not foolish. Instead, they are wise.

If we are drunk with God through His dispensing, we will be happy, and we will rejoice and exult. In this way we will have the real enjoyment of the processed God in His Divine Trinity in our daily life.

Prayer Burdens:

1. Lord, thank You that the unique blessing in the entire universe is You, Yourself as the Triune God. Lord, open us up much more to receive this blessing through the divine dispensing, so that we may enjoy You and accomplish Your divine economy.
2. Lord, we thank You as the Father for blessing us in every way and in every aspect in Your love. Keep us in Your name and we pray that You bless us by being kept absolutely in Your dispensing and altogether outside of the evil one.
3. Lord, lift up Your countenance upon us and give us peace. Have mercy on us that we would not grieve You and cause Your countenance to drop. Cause us to continually obey You for Your satisfaction.
4. Lord, thank You for Your grace, Your love, and the fellowship of the Spirit. Bless us more with Your dispensing and use us as Your channels to bless others and bring them into Your presence. Cause us to bring love, grace, and fellowship that they may also enjoy the Triune God.
5. Lord, cause us to reach the three stages of God for our enjoyment: love is within, grace is love expressed, and fellowship is the transmission of grace into us. Lord, thank You for this divine revelation, not for theology, but for apprehending of how You dispense Yourself into us as Your chosen ones.
6. Lord, whatever situation we may face, remind us to turn to the Triune God so that we may realize that only You, Your face, Your presence, is our real blessing and portion. Grant grace upon grace to the whole recovery.

Promoting the Life-Studies to Bring in a Genuine Revival in the Lord's Recovery

We should have a burden to promote the Life-studies continent by continent until every household has the Life-studies, and every saint has the Life-studies **both inwardly and outwardly**. The Life-studies are for teaching and helping people to read the Bible. When you read the Bible, your mind may not be enlightened even after reading it a hundred times. However, when you open the Recovery Version of the New Testament, there are footnotes that open the truth to you in the places you cannot understand. Once the word of the truth is opened, you will receive the revelation. Then when you read the Life-studies, you will be enlightened even more. After you have read the Life-studies, the few verses that you have studied will be fully opened to you. Ephesians has only six chapters, but there are ninety-seven messages in the Life-study of Ephesians. If you read two messages a day, you will need about fifty days to finish it. After you have spent fifty days to read through all these ninety-seven messages, the content of the six chapters, the entire book of Ephesians, every sentence, and even every word will be clear and enlightening to you. In other words, Ephesians, this mysterious and marvelous book, will be fully opened to you (Excerpts from CWWL, 1984, vol. 5, "Truth, Life, the Church, and the Gospel—the Four Great Pillars in the Lord's Recovery," pp. 457-458).
