## Receiving the Triune God as Our Salvation by Drinking Him

Most people do not consider that God's salvation is so subjective to us. Most think of His salvation in an objective way. Some think that they need the Lord Jesus to stretch out His hand to rescue them and pull them out of the fall. Actually, the Lord's salvation is absolutely not like this. **If we want the Lord to save us, we must drink Him. The way to receive the processed Triune God as our salvation is by drinking Him.** When the water gets into us, it permeates our entire being. The way that we get nourished, transformed, conformed, and glorified is by drinking Christ into us. This is the way to receive God as our salvation. The source of this water is a fountain, which is immeasurably deep and wide, and this fountain has many springs.

The springs at Niagara Falls are not drinkable because they are too great and fierce, but Jesus is a gentle spring. In the ancient times in the Middle East, people would go to a spring where there was a well from which they drew water for themselves and for others. We can also come to the Lord to draw living water from Him for ourselves and for others. This shows that **the processed Triune God as our salvation is very subjective.** The water that we drink **passes through our entire being, is assimilated by us, and even becomes us.**

In both the Old and New Testaments, water is used as an illustration of our Triune God. At the end of the Bible in Revelation 22, there is a picture of a throne, upon which the Lamb-God is sitting. Out from the throne underneath the Lamb, flows the river of water of life. In this river grows the tree of life, and this river passes through the entire holy city. The river actually spirals down from the throne in the middle of the golden street to water the whole city. Every part of the city is nourished and watered by this river. This is a full picture of the Triune God to be our salvation. **Every day we need to drink Him.**

## The Way to Draw Water from the Springs of the Divine Salvation

Now we want to consider the way to draw water from the springs of the divine salvation. First, we need to **be those who are repenting** to turn God's anger and receive God's consolation of forgiveness (Isa. 12:1). We also need to **be those who are praising Jehovah, calling upon His name** (v. 4a). Furthermore, in order to draw water from the springs of salvation, we should **make God's saving deeds known** among the peoples and **exalt His name** among them (v. 4b). We also need to **sing to Him** for He has done something majestic, and we must let this be made known in all the earth (v. 5) (Excerpts from The Life-study of Isaiah, ch.40).

# Prayer Burdens

1. Lord, You are the Spirit promised to us, received by us through faith. Thank You for such a blessing that we can enjoy the all-inclusive One as our daily portion. As the Spirit, You are everything to us.
2. Lord, You are the flowing Spirit – the river of water of life to quench our thirst, the fountain of living waters as the source of life, and the water that flowed out of the riven rock to be our life and life supply.
3. Thank You, Lord for the resurrection life that flows from the valleys to the mountains. Grant us the experiences we need – the valleys and daily killings, that the divine life might be released even more.
4. Lord, forgive us for forsaking You as the fountain of living waters and hewing out broken cisterns that hold no water. Nothing apart from You can quench our thirst, and nothing apart from You dispensed into us can make us Your increase.
5. Lord, here we are drawing water with rejoicing from the springs of salvation. We praise You, rejoice in You, call on You, make known to others what You have accomplished, and give You the preeminence in our being.
6. Lord, we come to You just as we are. Continue to flow through the Father as the fountain, the Son as the spring and the Spirit as the river into us and out from us to others to become the New Jerusalem as the totality of the eternal life.
