

CHURCH IN REGINA

ISSUE # 19 | MAY 10, 2026 | VOLUME XIV

If there are believers on this earth who love the divine Word, I believe **we should be numbered among them**. We love the Word, but not in the way of dead letters. **We love the Word** by giving heed to it **until** something within is dawning and rising in our heart—not the knowledge, not the written code, but the breaking through of day, **the rising of the shining star**.

What does this mean in **practical experience**? Sometimes we may take the Bible, read it, and feel that we receive nothing. Other times, however, when we open our heart and give heed to this prophetic word, something within is shining, rising, dawning, breaking through. While we are pray-reading the verses of the Bible, there is a sense deep within of enlightening, of shining, and this shining creates a love toward the Lord Jesus. We feel that He is so lovable. We could say, “O Lord Jesus, I love You; I do not have words to express how lovely You are!” Many times by this shining we are beside ourselves with love to the Lord Jesus. That is Jesus coming to us as the dawning day, as the morning star rising in our hearts. I am not speaking of something I have learned from others, and I am not boasting; this is my experience. Many times when I was with this holy Word, something has risen within me like the daybreak. Oh, it is wonderful! **The situation may not be bright, the surroundings may be full of darkness, but something within is enlightening, shining, filling with glory.**

Everyone a Shining Star

The Lord said unto Abraham, “I will surely bless you and will greatly multiply your seed like the stars of the heavens and like the sand which is on the seashore” (Gen. 22:17). We Christians, the genuine believers, are the real children of Abraham. We are the stars of the heavens. The Jewish people, the physical descendants, are like the sand which is on the seashore. **We all should be the stars**. Not only the leaders in the local churches but all of us should be stars. If we read Revelation 2 and 3 again in this light, we will realize that eventually all those in the local churches should be the stars. What the Lord wrote to the seven messengers was what He wrote to the whole church. It is not a matter of teaching, knowledge, title, or position; it is a matter of shining. We need to be the shining stars so that people may find Christ through us. **Where is Christ?** Come and see. **Simply follow the star**. And **where is the star?** Hallelujah, **the star is in the local churches**. Brothers and sisters, **are we really shining?** We need to shine in our homes, on our jobs, in our neighborhoods, in the schools, on the campuses. We do not need to teach people so much, and we do not need to do so much preaching. What we need is the shining. The local churches should be full of shining stars...

I hope that we all could be such stars. **Though we may know little** of the teachings, though we cannot give people so many instructions, **yet when they come to us**, they will be enlightened. There is no need to argue with others; be sure that when you argue, you will keep people away. **The enlightening does not depend on how much you can say or reason, but upon what you are.**

If you are a shining star, who can escape your shining? This is entirely beyond human expression and explanation. **It is a matter of the presence of the Lord**. If we give heed to the prophetic word, we will have the star rising within us. Then if we are **faithful** simply to follow the inner, rising star, we will be fully in the Spirit, and eventually we will be the stars in the local churches, not in an objective way but in a very subjective way. Praise the Lord that by His grace we all can be the stars (Excerpts from The New Testament Service, CWWL, 1970, vol.1).

*Go therefore and disciple all the nations, baptizing them into the name of the Father and of the Son and of the Holy Spirit.
~ Matt.28:19*

PRAYER BURDENS:

1. Lord, cause us to see Your star and lead us to where You are. We are not satisfied with just the knowledge of letters, but we want to have a living vision. Appear to us today, again and again.
2. Grant us not merely Bible knowledge but the heavenly vision, the instant vision, and the living vision. Save us from being among the religionists. Show us the heavenly star, the living vision that human concepts can never teach.
3. Lord, we want to see You – not only through the Word but through Your living guidance. Cause us to live in an intimate relationship with You that we would no longer go the same way, but go on by the right way.
4. Lord, turn us into living, shining stars – the ones who receive guidance and are turned from the wrong way to the right way. May we shine in this dark age as Your stars in the local churches.
5. Thank You, Lord for the Word. May we heed the prophetic word until the day dawns, and the morning star rises in our hearts. Make us those who manifest the kingdom today by spreading in us and shining over us.
6. Lord, have mercy on us that we may always be kept in the right way to serve You, to worship You, and to offer our love to You. Save us from becoming wandering stars. May we be Your duplication as the living stars.
