

In All the World There's Just One Book

- 1 In all the world there's just one book
Reliable and true.
All other words will pass away
Only God's Word will remain. (The Bible!)
- 2 In all the world there's just one book,
That tells me who God is.
One book reveals the living God;
Oh, what a book is this! (The Bible!)

Romans 1:20a For the invisible things of Him...have been
clearly seen since the creation of the world
