

My Father Knows Before I Ask

1 My father knows before I ask
He knows just what I need!
My father knows before I ask
He knows just what I need!
So I won't worry, fear or fret
He knows just what I need!
So I won't worry, fear or fret
He knows just what I need!

2 Your father knows before You ask
He knows just what You need!
Your father knows before You ask
He knows just what You need!
Fear not, don't worry, don't you fret
He knows just what You need!
Fear not, don't worry, don't you fret
He knows just what You need!

He knows just what We need!

Matthew 6:8 Therefore do not be like them, for your Father knows the things that you have need of before you ask Him.
