

Never Forget That It's God Who Created You

Never forget! That it's God who created you,
Never forget He's a wonderful God.
Never forget! That it's God who created you,
Wonderful, wonderful Creator God.

You have...
Arms that bend, knees that bend
And a back that bends right over,
Toes that wiggle and hands that tickle, and a mouth that
Giggles—'hee hee hee.'

Hold Out Your Hands!

Hold out your hands! Aren't they wonderful,
So many things that your hands can do—
Catch a ball, open a can, peel an orange too—
Throw and clap, zip and snap, and wave to you.
