

Chapters 6 Thru 9 of Genesis

- 1 Chapters six thru nine of Genesis
Describe the Noah story.
When the world around was evil,
He was righteous, blameless, holy.
Noah found favour in the eyes of the Lord!
One hundred years, his three sons helping,
While the world was having fun,
Noah built what God had told him;
Finally the ark was done!
“Make some rooms for all the cattle;
Pack the food so it won’t rattle;
Load the animals by couples;
Noah, wife, and sons with wives.”
Noah then, at age six hundred,
Finished quite and awesome chore;
Everything was packed and ready;
God Himself then shut the door!
- 2 Then at last the heavens opened,
And the rain came pouring down;
Forty days and nights of nothing
But that raining, raining sound.
But Noah and the creature were
Remembered by the Lord!
God had stopped the rain and
Then the water settled back! BUMP!
The ark had rested on a mountain named of Ararat!
Sent a raven out of searching;
Sent a dove to look around.
Oh, the dove brought back a branch!
Some things were growing on the ground!
Shem and Ham and Japheth helped
Those animals go out two by two;
For a year they’d stayed inside,
Then finally the earth was new!

Philippians 2:14 Do all things without murmurings and reasonings.
