

## What Kind of a Sharer?

- 1 What kind of a sharer does everybody love?  
What kind of a sharer does everybody love?  
While playing with my brothers and my sisters and my friends,  
Everyone loves a generous, willing sharer with a grin.
- 2 My snacks and my muffins, my favorite truck or hat;  
My colors, my markers; I'm sharing this and that.  
It's not because I have to, and it's not with a pity-pout!  
When we share with everyone we're happy — there's no doubt.

**Romans 12:13** Contribute to the needs of the saints, pursue hospitality.
