

## **Conscience, You Are My Good Friend**

Conscience, you are my good friend!  
You're always helping me from within;  
Telling me how good it is  
To be kind to others, be a friend;  
Helping me choose the right things to do;  
Keeping my heart trustworthy and true;  
Making me the kind of person  
I really want to be!

**Proverbs 8:7a** For my mouth will utter truth...
