

Don't Forget, You're In Debt

1 Don't forget, you're in debt
To the ones caring for you,
To them you owe all you know,
And you must try to repay them.

First, be obedient when folks tell you
To do something, do it well!
Then you will be happily
Filled up with joy and contentment!

2 Secondly, secretly,
Look for a way you can help them.
Do a deed to meet their need,
And then you will be delighted!

Fold up the laundry, take out the trash,
Pick up the clutter, the dishes wash.
Don't be slow, true honor show;
This is the way to repay them.

Romans 12:10 Love one another warmly in brotherly love; take the lead in showing honor one to another.
