

No One Likes to Be Left Out

- 1 No one likes to be left out.
Be tenderhearted, kind to one another.
Three is really not a crowd:
Be tenderhearted, kind to one another.
Don't hide or run away
When someone comes to play,
There's room for all to stay;
Be tenderhearted, kind to one another.
- 2 Greet a new friend with a grin!
Be tenderhearted, kind to one another.
"Join with us and come right in!"
Be tenderhearted, kind to one another.
This game has just begun!
We have space for every one;
Including more is fun.
Be tenderhearted, kind to one another.
