

The Burning Bush

- 1 Look at this: a burning bush!
Look at this: a burning bush!
Look at this: a burning bush!
Burning, not consumed!
- 2 Holy ground - put off your shoes!
Holy ground - put off your shoes!
Holy ground - put off your shoes!
At the burning bush!
- 3 I'm the God of Abraham,
I'm the God of Isaac, and
I'm the God of Jacob, too,
In the burning bush!

There's a part inside of me

There's a part inside of me—
It's my conscience, and I see,
If I listen and obey,
I will be preserved this way.

Yes, I will listen,
Yes, to my conscience;
If I will listen,
Then I will be preserved.

Proverbs 23:12 Apply your heart to instruction, and your ears to words of knowledge.
