

## **Ezra Brings Israel Back to God's Word**

Ezra was a priest, scribe and a scholar.  
As a wise man he was skillful in God's law.  
He brought Israel back to the word of God  
To purify them as God's testimony.

For Ezra had set his heart to seek  
The law of Jehovah and to do it,  
And to teach its statutes to all Israel,  
Separating them as God's holy people.

Let us be like Ezra setting our heart,  
To seek after God living by His holy word,  
Let's be an example to all those around,  
And aspire to be so useful to Him.  
(And aspire to be so useful to Him.)

sight of all men**
