

Parents and Teachers, Leaders and the Coach

Parents and teachers,
Leaders and the coach
Are to guide you in the proper way.

(Repeat)

You may think that your idea is the best one,
But there's a reason they're in charge of you.
God knows the best way to keep us,
Help us and protect us.
Yes, O Lord, we'll take Your way!

1 Corinthians 14:40

But all things must be done becomingly and in order.
